# Storytelling TOUR

## For Children

Guided by a fearless explorer, our young adventurers will try to unlock the mysteries of Lascaux.

A Homo Sapiens who lived 21,000 years ago stands before them!

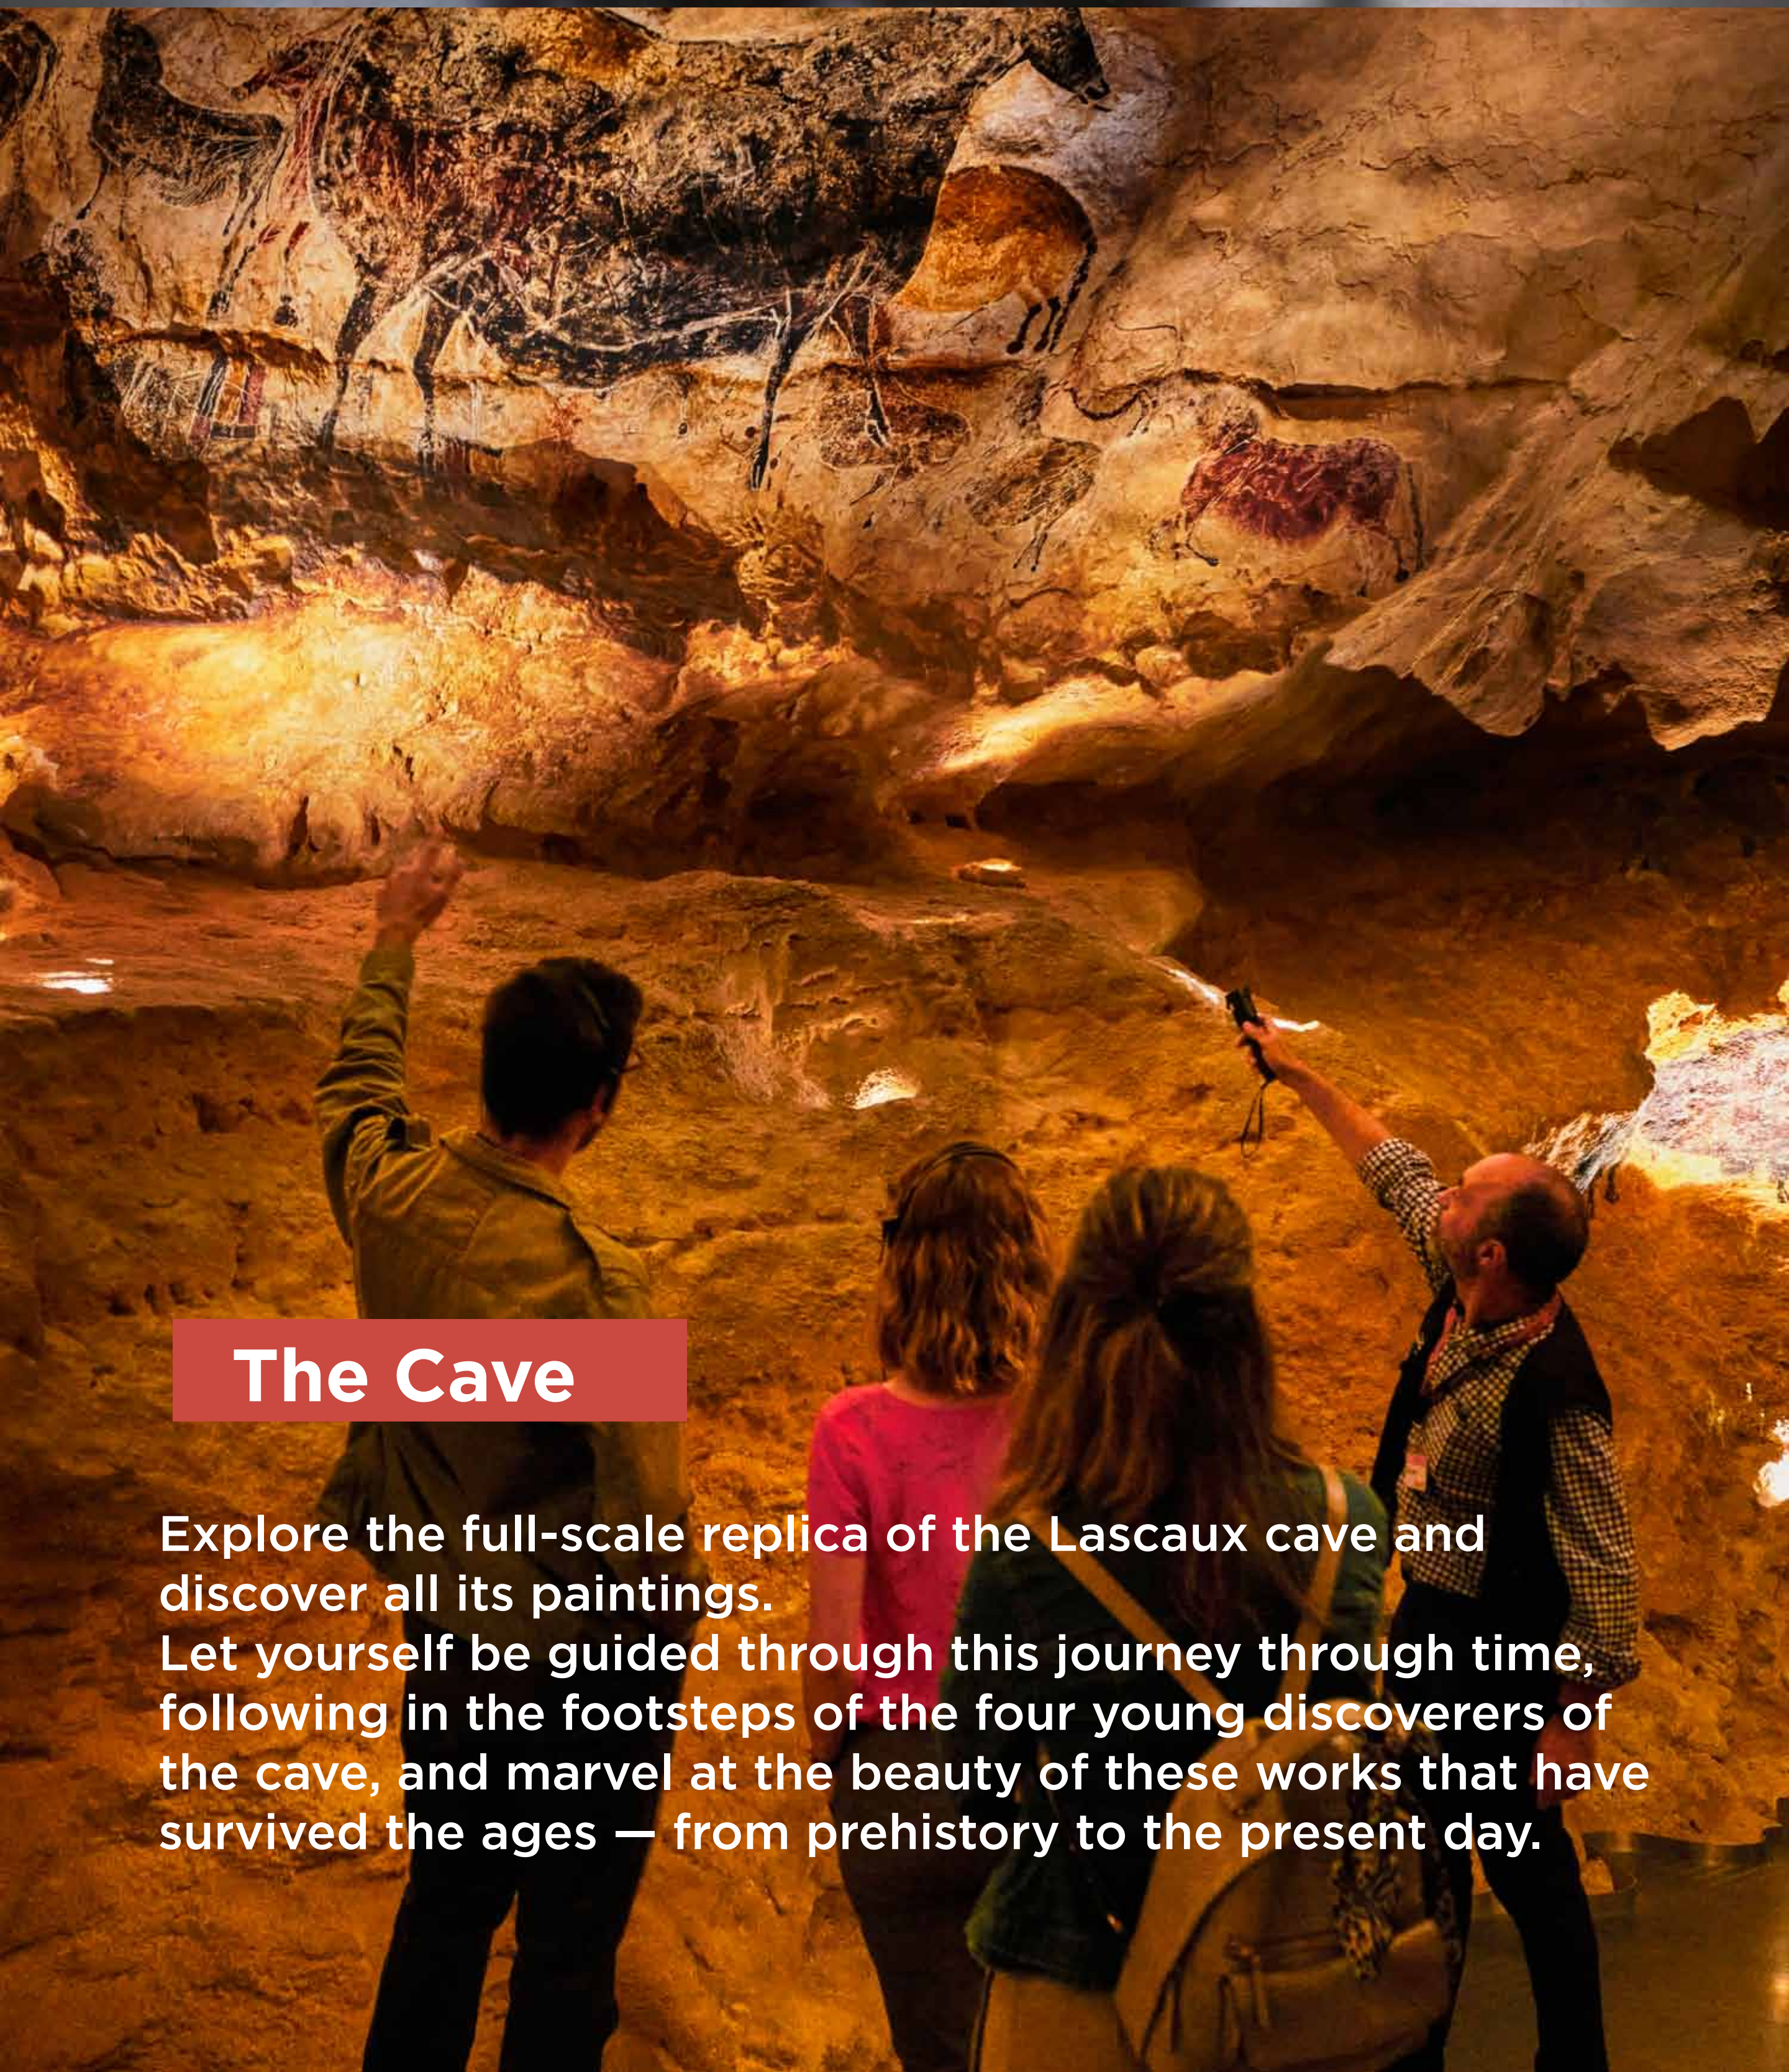

An extraordinary journey into the heart of prehistory begins for our young adventurers.

Discover the Vézère Valley as it was nearly 21,000 years ago, when the landscape around Lascaux looked entirely different from today.

## The Shelter

## The Cave

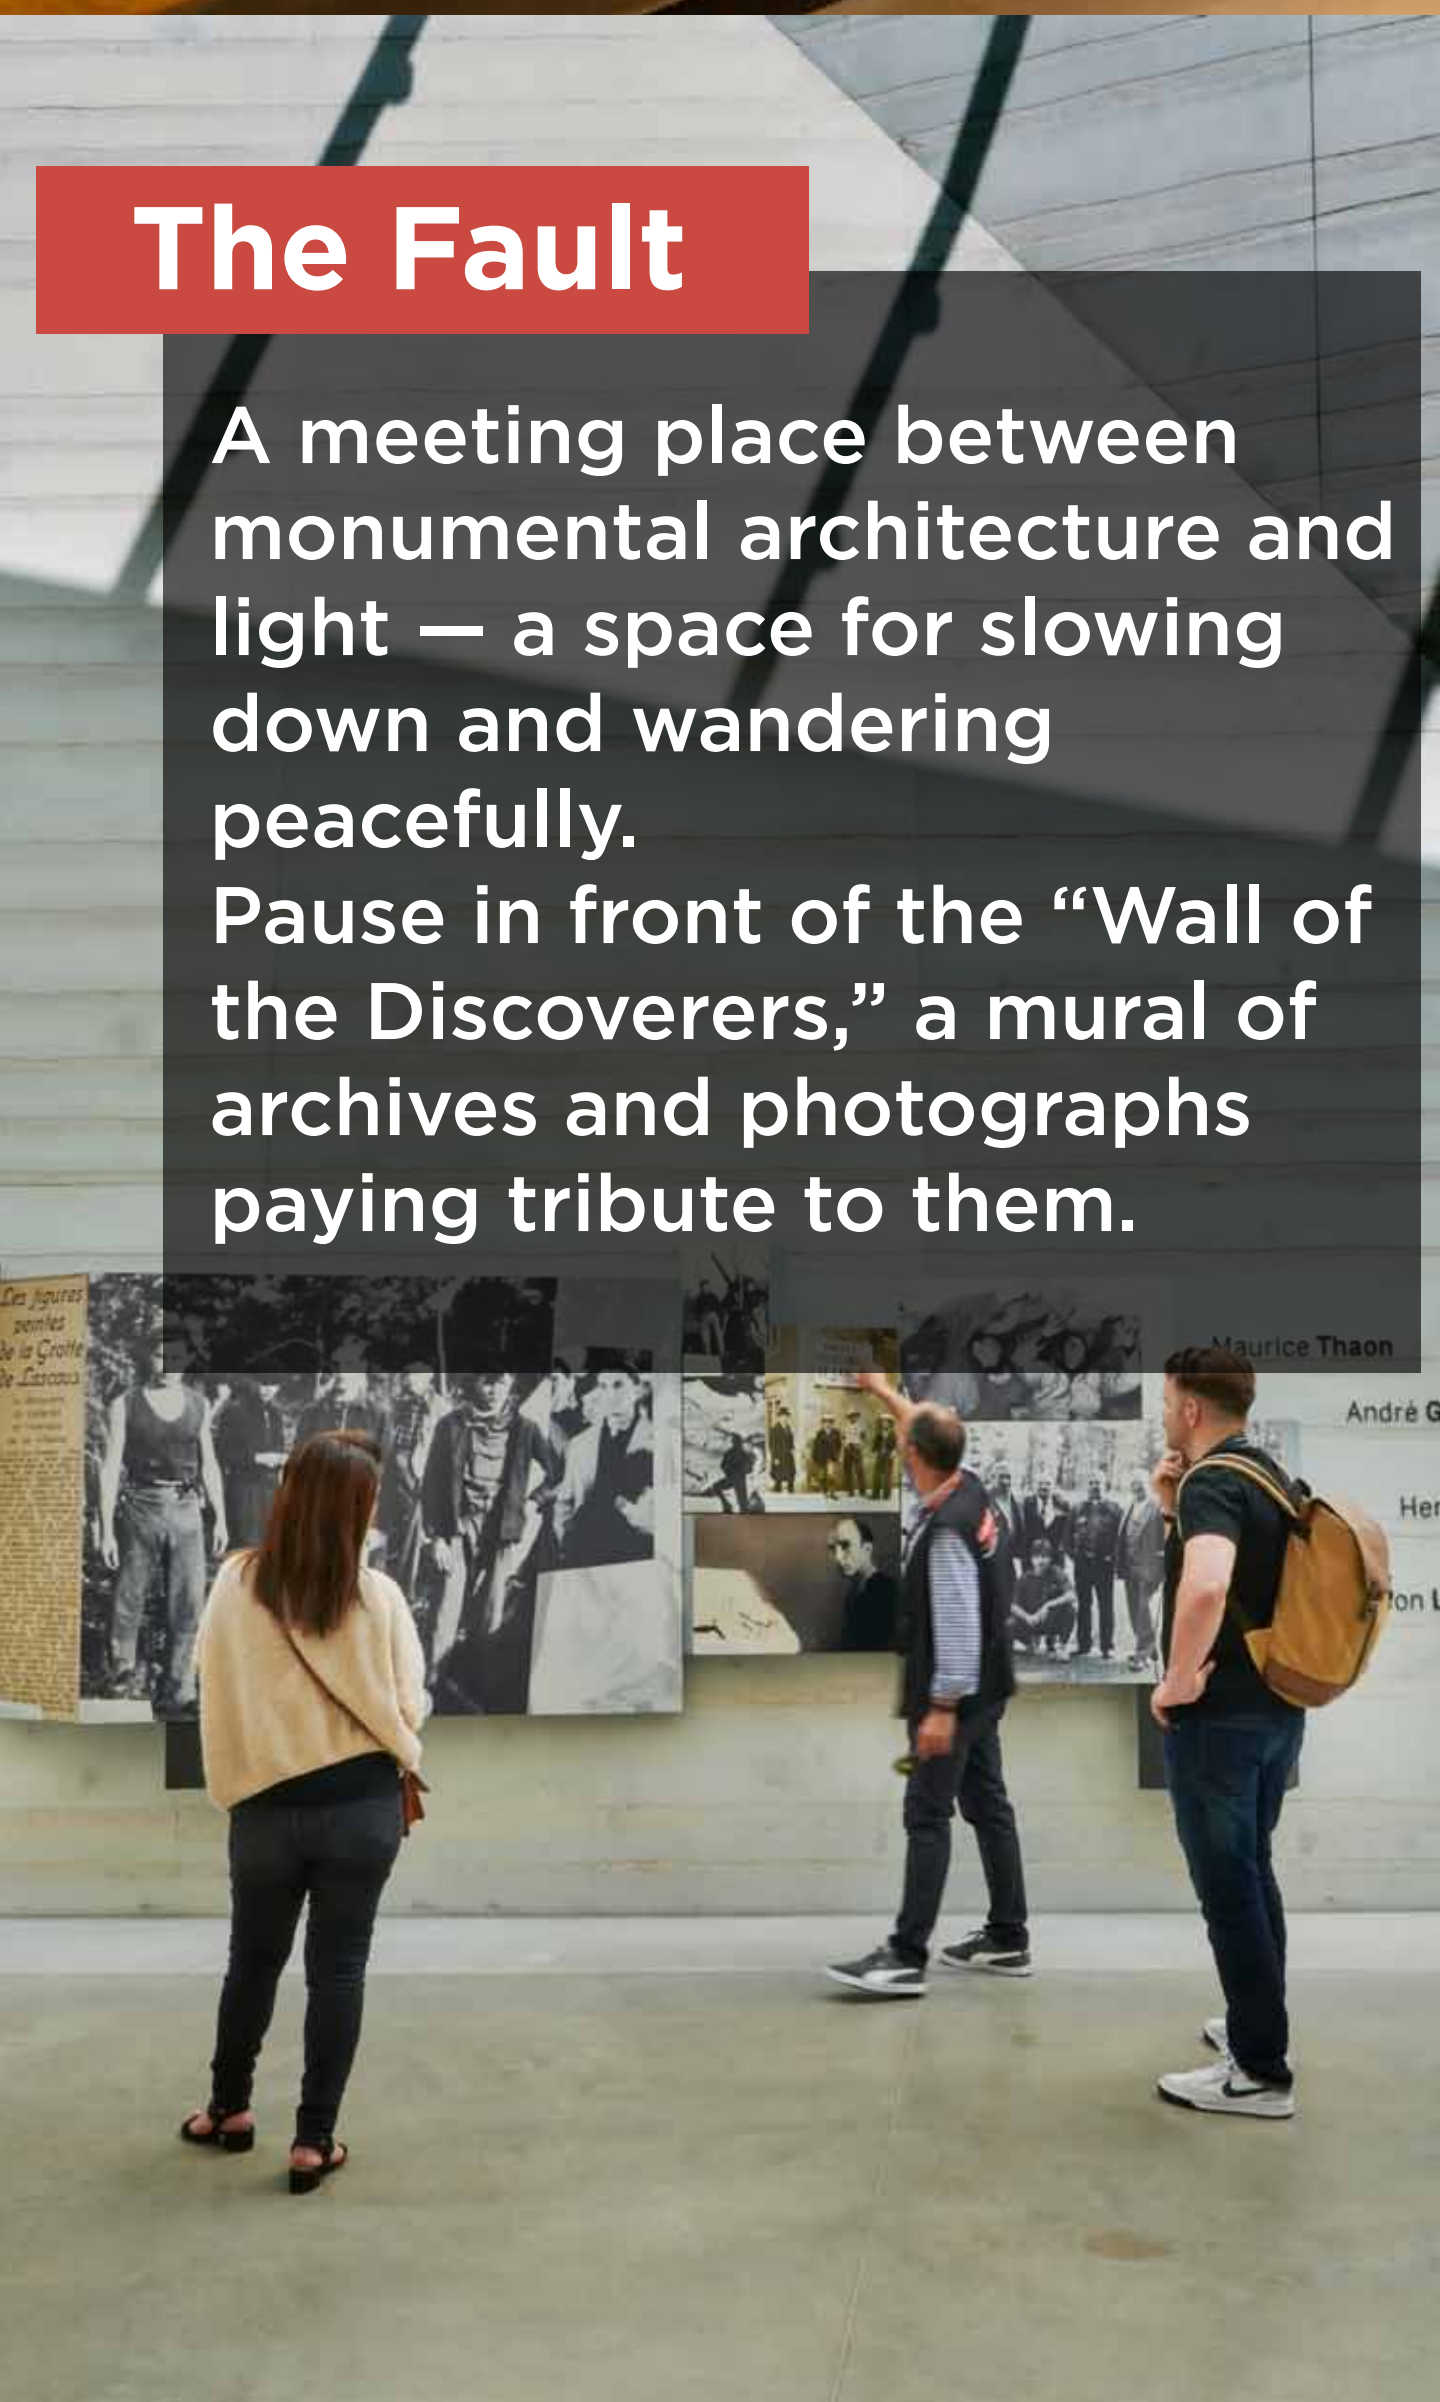

Explore the full-scale replica of the Lascaux cave and discover all its paintings. Let yourself be guided through this journey through time, following in the footsteps of the four young discoverers of the cave, and marvel at the beauty of these works that have survived the ages — from prehistory to the present day.

## The Workshop

In this space of majestic architecture, you'll find the main artworks of Lascaux. Take your time: mediators are available to offer different thematic insights and child-friendly presentations.

## The Fault

A meeting place between monumental architecture and light — a space for slowing down and wandering peacefully. Pause in front of the “Wall of the Discoverers,” a mural of archives and photographs paying tribute to them.

## The Cinema

A film that invites you to take time and connect Lascaux to cave art around the world.

## The Cave Art Theater

An engaging narrative to learn everything about the discovery and the archaeological research.

## The Gallery of the Imagination

Discover how prehistoric art continues to this day and inspires many modern and contemporary artists. A unique and entertaining experience for the whole family!

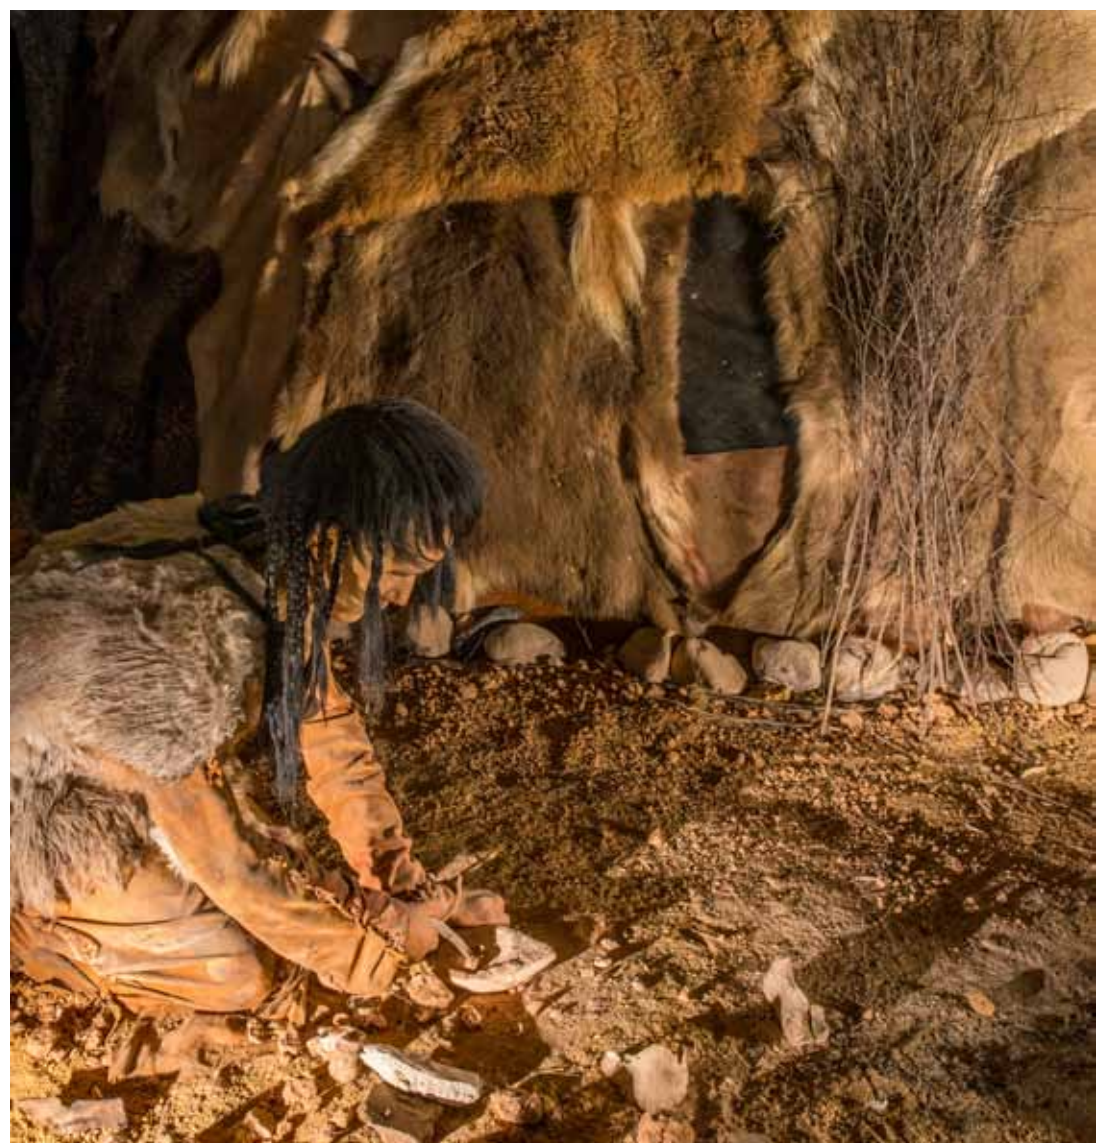

## The Immersion Room

This visual and sound experience offers several shows throughout the seasons: "Our Animal Brothers" and "One Single Humanity."
